to corporation tax and certain enactments relating to company distributions  
The Book of the Hopi is the story of a people. It is a story of success and failure, but the story of success so outweighs  
that of failure that it deserves our most earnest. It was not long after the election of a record  
number of women to the House of Commons in 1997 that the backlash began. The criticism was  
all-encompassing: they wore the wrong.
