This is a new branch for those children who need strongly patterned text and reinforcement of the key words in the Oxford Reading Tree. It features real stories and retains the humorous element of Reading Tree stories, whilst providing repetition of the key verbs and character names. The text is handwritten, using a cursive flick, and consists of one or two lines per spread. The Story books are accompanied by an Extended Story booklet (the extended version of the stories, with guided response questions, for the teacher/parent to use to contextualize the stories and increase children's enjoyment of them). A set of Big Books, for introducing the stories and for group/class use, is also available
